

CORPORATE CAPABILITY STATEMENT

The national standard in security.

W-2 officers on our own payroll, a 24/7 command center watching every shift, and photo-verified proof in your inbox by sunrise — on every site, in every state.

LICENSED & INSURED

24/7 COMMAND CENTER

NATIONWIDE COVERAGE

ARMED & UNARMED

DIRECTLY EMPLOYED OFFICERS

Direct employment. Central command.

SECURICO Guard Services, Inc. protects commercial real estate, logistics networks, healthcare campuses, schools, government facilities and residential communities across the United States — without a single subcontracted post.

DIRECT EMPLOYMENT, ALWAYS

Every officer wearing the SECURICO patch is a W-2 employee — recruited, vetted, trained and scheduled by us. One payroll, one uniform, one chain of command, in every market we operate. It is the only way a national standard can actually be guaranteed.

VERIFIED OPERATIONS

Every post reports into a Security Operations Center that never closes: live GPS, patrol heat maps, VoIP comms, photo-verified checkpoints. Overnight activity arrives in your inbox as a timestamped file — reviewed, verified and on the record.

0

Subcontracted posts. Ever.

The standard we commit to is the standard delivered — every shift, every site, in writing.

FLAGSHIP SERVICE

Uniformed Guarding — Armed & Unarmed

Licensed static and mobile officers stationed at your premises: access control, gatehouse operations, interior and perimeter patrol, and visitor management. Deterrence that is visible from the parking lot — and verifiable from your phone, with live geolocation and photo-verified reporting on every shift.

ACCESS CONTROL

GATEHOUSE

PERIMETER PATROL

VISITOR MGMT

24/7/365

Vehicle & Bike Patrol

Marked patrol on tracked routes — scheduled and randomized visits, full digital logs.

Executive Protection

Discreet close protection for principals, executives and high-profile personnel.

School Security Officers

Campus-trained officers, including SB 1626-compliant school security programs.

Off-Duty Law Enforcement

Sworn officers for elevated-risk posts and specialized assignments.

PSO & CSO Programs

Protective Security Officer and Court Security Officer programs for regulated settings.

CCTV & Alarm Response

Live monitoring and rapid response to activations, coordinated through the SOC.

Special Events & Assignments

Access, crowd and queue management for events, activations and temporary details.

Fire Watch Services

Compliant fire watch for systems downtime, hot works and inspections.

Every service above runs on the same backbone: directly employed officers, 24/7 SOC oversight, and photo-verified reporting. **Standard on every engagement, in every market.**

Command and control, around the clock.

Every SECURICO officer operates with a full command center behind them — watched, logged and verified hour by hour, with the evidence delivered to you each morning.

01

24/7 Security Operations Center

Continuous oversight of every officer on shift — live communication, check-in monitoring and escalation, 365 days a year.

02

Real-time geolocation & heat maps

Live GPS positioning and patrol heat maps give complete visibility of on-site activity — yours to review at any time.

03

VoIP & instant communication

Constant contact between officers, field supervisors and the command center — no dead air, no lone posts.

04

Photo-verified reporting

Checkpoint and incident data retained and reportable — audit-ready for reviews, claims and compliance.

05

Rapid emergency response

The SOC coordinates immediate action and resource deployment during any incident — then documents all of it.
